

ANNUAL CONFERENCE

CONFERENCE AGENDA BY TRACK - FOREST SUSTAINABILITY

Wednesday, September 28

Time (Pacific Time)	Session Title	Speaker(s)	Location
8:00 – 9:30 AM	Wildlife and Biodiversity <ul style="list-style-type: none"> Overview of the NCASI Forestry Program Baseline information, monitoring, and a design fitting for forest management Collaboration, conservation, and private lands - a case study with endangered coastal marten Prominent findings of NCASI Canada's 10-year Caribou Research Program Native bees in private, working forests - a broad view of multi-regional research 	<ul style="list-style-type: none"> Darren Miller - NCASI Jake Verschuyf - NCASI Katie Moriarty - NCASI John Cook - NCASI Rachel Cook - NCASI Angie Larsen-Gray - NCASI 	Discovery C
10:00 - 11:30 AM	Fire <ul style="list-style-type: none"> NCASI responses to the western wildfires of 2020 A westside story: New fire histories from the Western Oregon Cascades Forested streams, fire, and large wood across a gradient of fire severity and forest stand age Wildfire effects on streamflow, water quality, and aquatic ecology: The Hinkle Creek Watershet Study Revisited Is green the new black? No difference in Black-backed Woodpecker vital rates between unburned and burned forests in a pyrodiverse landscape 	<ul style="list-style-type: none"> Jake Verschuyf - NCASI James Johnston - Oregon State University Ashley Coble - NCASI Dave Roon - Oregon State University Mark Kerstens - Oregon State University 	Discovery C
1:00 - 3:00 PM	Sustainable Manufacturing & Climate and Forestry Combined <ul style="list-style-type: none"> Climate Change - Carbon throughout the forest supply chain introduction Tracking carbon through the supply chain - Forest to frame projects and beyond Understanding Scope 3 emissions Pathways to Net Zero for the Forest Products Sector Calculating Forest Carbon - FIA Carbon Update 	<ul style="list-style-type: none"> Kirsten Vice - NCASI Edie Sonne-Hall - Three Trees Consulting Adam Costanza - NCASI Barry Malberg - NCASI Steve Prisley - NCASI 	Discovery C
3:30 - 5:30 PM	Sustainability <ul style="list-style-type: none"> Strategic positioning with policymakers: NAFO Environmental Benefits Report Progress with Purpose Incorporating sustainability into practice - timberland owner perspectives Implementing the Functional Complex Network Approach to improve forest adaptability, resilience, and social acceptability in the face of global changes Risks and research needs for forest health Amelioration of nutrient deficits from intensive forest management using fertilization 	<ul style="list-style-type: none"> Ethan Breitling - NAFO Bobby Maddrey - Georgia Pacific LLC Chad Washington - Nuveen Natural Capital Kevin Solarik - NCASI Craig Loehle - NCASI Scott Holub - Weyerhaeuser Kim Littke - University of Washington 	Discovery C
